

**TWISTERS GYMNASTICS  
& TRAMPOLINE CLUB  
34<sup>th</sup> ANNUAL GYMNASTITHON**

**Exciting, challenging and fun circuits have been created for each age group!  
Saturday, October 27th**

Who can participate?

**This event is open to all registered athletes with Twisters Gymnastics and Trampoline Club regardless of the day that you are registered for.** We have added this day of fun to our schedule to help raise money for our club to purchase new equipment and to allow our members to all come out on a special day for some added fun!

What is "GYMNASTITHON"?

It's a fun filled day at the club, with a challenging circuit on our gym floor made to use some of the skills learned in their everyday classes, such as balancing across the beam, jumping from the mini-tramp, cartwheels, somersaults and much, much more. Each gymnast will complete as many laps as they can (with a max of 20 laps) and for our younger gymnasts, there will be "helpers" out to see them around the circuit. For our Parent & Tot group there will be a circuit set up on our smaller floor, where parents and kids will participate in a fun filled circuit! We will also be having a Bounce "N" Fun Castle, face painting, picture taking stations, games and a SILENT AUCTION! Each gymnast that participates will receive a goody bag!!!!

As always we will be having FOOD and REFRESHMENTS for sale and there will be NEW and USED gym clothing for sale.

There will be prizes for the **TOP 3** earners and random draws during the event for participating gymnasts.
